

Questions & Answer II
To
Solicitation Number DAMT01-03-R-0049

1. Question: Request language is inserted in the solicitation allowing awarded carriers to introduce new commercial items, services, and accessories as they become available to the commercial marketplace.

Answer: The solicitation language will not be changed per this request. After award changes will be considered only in accordance with FAR 52.212-4(c) *Changes*, as modified by its addendum, and only as it would apply to all awarded contracts.

2. Question: Request language is inserted in the solicitation allowing awarded carriers to incorporate their commercial service guide by reference.

Answer: The solicitation language will not be changed per this request. Commercial services guide will not be accepted.

3. Question: Instructions to offerors-how many copies/original are required for Volume IV Subcontracting Plan?

Answer: Submit 1 Original and 2 Copies

4. Question: Instructions to offerors-Volume II, the requirement is 5 copies. Is an original required?

Answer: Submit 1 Original and 5 Copies.

5. Question: The solicitation has a termination for convenience for the government, request language be amended to incorporate termination for convenience for the carrier as well.

Answer: There will be no change to the clauses as stated nor will amended language be considered or accepted.

6. Question: Will any offers be accepted after the due date?

Answer: No.

7. Question: Special notes to offerors, page 14, item 6 references additional quantities and points. Please clarify. Is DLA considering opening additional Depots? Will this contract be extended to other DoD activities and or contractors?

Answer: Special Note 6 is self explanatory - The Government reserves the right to incorporate additional quantities or additional points of origin at a later date as required in support of the DLA mission.

8. Question: Continuation of SF1449 pages 2-12, what are the instructions for completing these pages? If submit Letterhead in lieu of SF1449, are we required to submit these pages in our offer? Where should they be submitted?

Answer: Refer to page 17 of 82 - (2) Proposal Composition Requirements and Instructions
Volume I – Contracting/Pricing Volume

9. Question: Representations and certifications-where/how should they be submitted?

Answer: Refer to page 17 of 82 - (2) Proposal Composition Requirements and Instructions
Volume I – Contracting/Pricing Volume
